Subject: Copyright of audio content

Dear Sir,

We are the proprietors of all copyright of audio content, html and pdf files entitled "Sermons of Bishop Lefebvre" (The "Work"). We have reserved all rights in the Work.

It has come to our attention that both [Reconquista: Mgr Lefebvre répond à des questions \(toujours actuelles\) en 1982 \(cristiadatradicinalista.blogspot.com\)](#) and [odysee.com](#) are currently publishing our copyrighted Work on servers owned and hosted by your company under the following URL: [Conférence de Mgr L. en 1982 \(odysee.com\)](#).

Permission was neither asked nor granted to [cristiadatradicinalista.blogspot.com](#) or to [odysee.com](#) to reproduce our Work and this publication constitutes an infringement of our rights and is an outright theft of our proprietary content. We have a good faith belief that use of the copyrighted materials described above as allegedly infringing is not authorized by the copyright owner, its agent, or the law.

In terms of the Copyright Statutes, we are entitled to an injunction against your company for continued hosting of this stolen content on your servers, as well as to recover damages from you for the loss we have suffered as a result of this hosting.

In the circumstances, we demand that you immediately remove the above mentioned stolen content currently accesible on [Conférence de Mgr L. en 1982 \(odysee.com\)](#) and notify us in writing that you have done so.

We await to hear from you by no later than close of business on 12th February 2021.

This is written without prejudice to our rights, all of which are hereby expressly reserved.

Yours faithfully,

Abbé Foucauld le Roux
