

Good Day

My name is Andrea van Dyk and I am the Photo Editor of Riaan Hoffmann and Stephanie van Dyk. A website that your company hosts (according to WHOIS information) is infringing on at least one copyright owned by my company.

This user is using photos that my parents took on a holiday. My parents are the photographers and I am the editor of the photos.

None of us gave Fishbowl2 permission to use the photos of the marine life for content creation, it would be highly appreciated if you could take this down for us as it is our intellectual property. Multiple images were copied onto your servers without permission. The original PHOTOS, to which we own the exclusive copyrights, can be found at:

The unauthorized and infringing copy can be found at:

This letter is official notification under [Section 512\(c\)](#) of the Digital Millennium Copyright Act ("DMCA"), and I seek the removal of the aforementioned infringing material from your servers. I request that you immediately notify the infringer of this notice and inform them of their duty to remove the infringing material immediately, and notify them to cease any further posting of infringing material to your server in the future.

Please also be advised that law requires you, as a service provider, to remove or disable access to the infringing materials upon receiving this notice. Under US law a service provider, such as yourself, enjoys immunity from a copyright lawsuit provided that you act with deliberate speed to investigate and rectify ongoing intellectual copyright infringement. If service providers do not investigate and remove or disable the infringing material this immunity is lost. Therefore, in order for you to remain immune from a copyright infringement action you will need to investigate and ultimately remove or otherwise disable the infringing material from your servers with all due speed should the direct infringer, your client, not comply immediately.

I am providing this notice in good faith and with the reasonable belief that intellectual rights my parents own are being infringed. Under penalty of perjury I certify that the information contained in the notification is both true and accurate, and I have the authority to act on behalf of the owner of the copyright(s) involved.

Should you wish to discuss this with me please contact me directly.

Thank you.

Andrea van Dyk
